

SUSTAINABLE SOLUTIONS

MATTRESS RECYCLING

Saying goodbye to your old mattress just got easier. In many areas, Casella provides mattress recycling solutions for all types of customers, including municipalities, colleges and universities, hotels, mattress retailers, and individuals. Learn more at casella.com/mattress-recycling

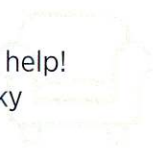

DUMPSTER RENTAL

We offer dumpster services to make home improvement projects easy. Call **800-CASELLA**.

BULKY WASTE

Getting rid of furniture or other bulky items? We can help! Give us a call at **800-CASELLA** to see if we offer bulky pickup in your area.

2030 SUSTAINABILITY GOALS

At Casella, we're not just along for the ride, we're driven to make a difference. Read more about our sustainability journey on our sustainability website at casella.com/sustainability.

BATTERY SAFETY

Placing batteries in your trash or recycling bin is dangerous for both waste workers and emergency responders. Ensure safe and proper disposal by recycling your household
